

WARNING !!

There is a virus being passed around electronically, orally, and by hand. This virus is called Worm-Overload-Recreational-Killer (WORK). If you receive WORK from any of your colleagues, your boss, or anyone else via any means DO NOT TOUCH IT. This virus will wipe out your private life completely. If you should come into contact with WORK put your jacket on and take two good friends to the nearest grocery store. Purchase the antidote known as Work-Isolating-Neutralizer-Extract (WINE) or Bothersome-Employer-Elimination-Rebooter (BEER). Take the antidote repeatedly until WORK has been completely eliminated from your system. You should forward this warning to 5 friends. If you do not have 5 friends, you have already been infected and WORK is controlling your life.

A THOUGHT.....

A spiritual master received a learned man, who came to gain deeper insight into the mysteries of life.

The master prepared tea. While serving the tea, he began to explain, but the learned professor kept on interrupting with his own opinions. So the master poured his visitors cup full, and then kept on pouring.

The learned man watched the overflow until he could no longer restrain himself, " It is overfull. No more will go in !"

" Like this cup," the master said, " You are full of your own opinions and speculations. How can I show you anything unless you first empty your cup?"

THIS PIECE IS TAKEN FROM, YUSUF ISLAM'S
(CAT STEVENS) CD, 'ANOTHER CUP'.

I THINK IT IS VERY POIGNANT, FOR SOME, TOSH.

DID YOU KNOW ?

Tosh's first public performance was at the Brierley Hill Civic Hall, West Midlands, in 1973. The performance was for the 'Independent Order of Foresters' Xmas dance. Tosh did a rendition of the 'Marrow Song', dressed in a maroon waistcoat, white shirt, brown Oxford bags (trousers), platform shoes, and a 'Kiss Me Quick' bowler hat, from Blackpool. Thankfully no pictures survive. As to the song, well it went down a storm.

GORLESTON CLIFF TOP GALA

THE ELTON JOHN TRIBUTE BAND, GORLESTON CLIFF TOP GALA 2007

On Sunday 29th July 2007, we performed an Elton John Tribute at the Gorleston Cliff Top Gala. It was a great success. Included in the band were the outstanding talents of Guitarist Stuart Morrison and Drummer Martin Woodgate from 'Scratch The Cat'. The incomparable fingers and voice of Alan Scott, on Piano.

The idea was to have a core band who were clued up on all the songs the guest singers would sing.

Guest singers were : Mikki Wright, Steve Thompson, 'G' Noble, Rob Whiting, Stuart Morrison, Alan Scott.

Tosh and Di did a version of 'Don't Go Breaking My Heart'. Thanks to every one who took part.

In 2008 we are performing a tribute to David Bowie, Don't miss it!! 'T
